On April 4, 1954, a telephone call was received at the Bureau from

referred to the Drew Pearson column of March 31, 1954, in "The Washington Post and Times Herald" concerning an alleged renewal of Communist collaboration with unrepentant Masis in a world-wide underground network.

A review of this column reflects that the network has allegedly used Senator Joseph McCarthy as a propaganda mouthpiece. As an example of this propaganda Pearson stated that McCarthy charged the United States Army with torturing German war criminals sentenced for the murder of American prisoners. Pearson added that this happened to be the Communist line in Germany and the charge was traced to Dr. Rudolph Aschenauer, an ex-Nazi working with the Communists, who helped write McCarthy's speeches and mailed them to him from Frankfurt, Germany. Pearson went on to state that Aschenauer had three known agents in this country - Frederick Weiss, H. Keith Thompson and Ulich Varange - who also represented the Socialist Reich Perty of Germany.

Pearson said that the FBI is most interested in Varange, a mystery man who also goes by the name of Francis Yockey and Frank Healy, and who is the author of a book on Fascist strategy, urging anti-American, but not anti-Soviet, activity.

It is noted your office has previously conducted investigation in this case, for your information, investigation is still pending because of Yockey's pro-Nazi and pro-Fascist sympathies and activities. (100-25647) 4. Foth Information

The "Reporter" Magazine dated April 13, 1951 contained an article entitled, "Germany: Where Fascism and Communism Meet", by EDMUND TAYLOR. This article was chiefly concerned with national socialist leaders in Germany, and briefly referred to national socialist leaders in the United States. One of these leaders in the United States was FREDERICK WEISS, and the following paragraph is set out verbatim concerning the subject's connection with WEISS:

dark intense looking man who usually calls himself ULICK V. R. NOE, (which is supposed to signify Ireland - Russia), but who claims to have been born FRANCIS PARKER YOCKEY in Chicago in 1917. WARANGE, who has used the name FRANCIS particularly prominent in the political demimonde of international FRANCIS, is fairly prominent in the political demimonde of international Francism, particularly in England. A book of his, published in London with the title 'Imperium', outlined what he considers should be the master themes of Fascist strategy, anti-mericanism, neutralism of Germany, and the avoidance of any anti-Soviet activity.

Activities in Europe

YOCKEY, under the name FRANK HEALY, assisted in the work for the Socialist Reich Party of Germany. The Socialist Reich Party (SRP) is a party in Germany which advocates the return to the national socialist theories in Germany.

(0)

YOCKEY, upon his arrival in Europe, became converted to the cause of "Authoritarian European Nationalism". In 1946 and 1947, he made his way to London, England, and commenced his political activities there. The first object of YOCKEY's attention was OSWALD MOSLEY, who, in 1947. launched the so-called "Union Movement".

YOCKEY was able to establish a satisfactory contact with MOSLEY and became a paid member of the organizing staff of the "Union Movement". His closest colleague in this movement was a leading functionary, GUY CHESHAM. Other persons who were in this movement were PETER J. HUXLEY BLYTHE, Other persons who were in this movement were PETER J. HUXLEY BLYTHE, Baroness A. V)N PFLUGI; OLIVER GROSE, F. GANNON, and R. G. LOWE. The activity vities of this group in the "Union Movement" became linked to the activity of ALFRED FRANCKE-LLITESCHE, the leading German advisor to the "Union Movement". Through KRIESCHE, YOCKEY established relations with an organization referred to as the Bruderschaft in Germany.

In writing "Imperium", YCCKEY received certain assistance from GUY CHESHAM and the Baroness VON PFLUCH: who financed the printing and publication of "Imperium", which appeared in two volumes early in 1948.

The development of YOCKEY's activity resulted in the founding of the European Liberation Front (ELF). During the period of the preparation for launching ELF, a private meeting took place in the home of Paroness YON PELUGLA in London, England. At this meeting, YOCKEY launched an attack on the "Union Movement", which he described as an instrument of United States policy. YOCKEY asked for cooperation in order to help him organize

secret partisans in Western Germany, who would be prepared to collaborate with the Soviet military authorities in action against the Western occupying powers.

YOCKEY claimed that if his proposal were accepted, this group would be initiated into a vast and worldwide organization working to establish an authoritarian state, "the real National Socialism". YOCKEY claimed that this crganization was already millions strong, and that he was a representative of the leader, whose name he kept secret. YOCKEY stressed that to start with, the leader, whose name he kept secret. Yockey stressed that to start with, the did not contemplate the use of anti-Jewish propaganda. He first wanted he did not contemplate the use of anti-Jewish propaganda. He first wanted to found a sensational newspaper, specializing in anti-American agitation.

The subject was in Italy for several months late in 1951, and took part in the preparation for the Italian Women's Movement. This organization formed the women's auxilliary of the neo-Fascist movement. The subject had written invitations to some forty foreign guests. inviting them to this movement, and he heard from ten of them. The subject made a speech at the Italian Women's Movement Congress.

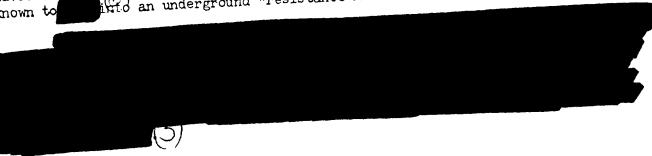

During the Italian Women's Movement Congress, the subject tried to convince a German guest of his idea to recreate Germany as a military power, which should seek to subjugate the world and establish a Germanic empire.

The subject's repeated criticism of the Italians for their "lack of order" seemed to have gained him few friends in Rome, Italy.

A check of the records of the three major downtown hotels, the Emerson, the Southern, and the Lord Baltimore Hotel, on October j, 1954, failed to reflect eny relistration for subject under his true name or any known alias.

Emerson Fotel, examined a photogra h of the subject on the afternoon on October 5, 1954, and he advised that he had no recollection of subject ever being at the Emerson and he was confident that subject's name was not contained in the hotel records.

In a further effort to locate the subject, JAs RALPH C. WOGHL and JOHN C. MONTGONDAY conducted a discreet surveillance in the vicinity of the banquet hall where the Cohn dinner was held as well as in the lobby of the hotel during the hours between 6 PH and 10 PM on October 5, 1954; however subject was not observed.

In his passport application, PRICE stated he had never been outside the United States; that he intended to leave the port of New York on or about June 1, 1954, for three months abroad. The purpose of the trip was indicated as vacation (sightseeing). The method of travel was given as air (TWA) and the countries to be visited were listed as Ireland, England, France and Germany.

The passport application was sworn to before K. TOUSSAINT, Deputy Clerk, Superior Court at Salinas, California.

The identifying witness for the passport application was one ALICE SPURLOCK, 121 Walnut Street, Pacific Grove, California, who stated she had known FRICE for five years and was not related to him.

Files of the United States State Department disclosed that YOCKEY was issued passport number 30259 on January 3, 1946. Subject received several renewals on this passport. On October 17, 1951, the subject applied for a passport at Naples, Italy, and passport number 1893 was issued this date.

In mid 1954, subject was reported to have returned to the United States, but his exact whereabouts were not determined. The purpose of attempting to locate the subject was to interview him regarding his activities. On January 18, 1955, washington Field Office obtained the following information from the State Department:

EDWARD MAX PRICE filed an application for passport dated May 5, 1954. This application was received at the United States Department of State, Washington, D.C. on May 17, 1954. On May 19, 1954, United States Passport number 378334 was issued to EDWARD MAX PRICE at Washington, D.C.

The laboratory is requested to determine if the photographs of the signatures of FRANCIS YOCKEY and EDWARD MAX PRICE, both of which were obtained by Washington Field Office, were made by the same person. The laboratory is requested to maintain the photograph of the signature of ALICE SPURLOCK until the signature of Mrs. ALICE SPURLOCK, subject's sister, is obtained and forwarded to the laboratory by the San Francisco Office. The laboratory will then attempt to determine if both signatures were made by the same person.

For the information of the San Francisco Office, liaison representative in Heidelberg, Germany, furnished to the Bureau by letter dated January 14, 1955, CIC report dated December 17, 1954, which, disclosed in part the following information:

EDWARD MAX PRICE was identified early in December, 1954, as the subject by an American Red Cross worker while PRICE was transacting business at the American Express Company, at Stuttgart, Germany. PRICE was at the American Express Office

that E. MAX PRICE made application for rental of a post office box in the Pacific Grove Post Office on May 4, 1954. At the time of application he stated that his old address was Forest Hills Hotel, Pacific Grove and his new address was reflected as P. O. Box 101, Pacific Grove, which is the box being rented to PRICE. He further advised that he was a traveling salesman for the Viking Machines, San Francisco, 3720 Juniper Terrace. He furnished as references, Mrs. Janet Buchanan Aknold, Carmel, California and Mrs. ALICE BPURLOCK, 1136 Surf Street, Pacific Grove, California. According to T-1, E. MAX PRICE received a letter from Lieutenant GEORGE R. LEVY, 769 Med. Det. APO 407, New York.

On January 25, 1955,

135 W. Franklin Street, Monterey, California, was contacted relative to his knowledge of E. MAX IRICE in view of the fact that PRICE in passport application reflected that he was a Musician (teacher).

advised PRICE was unknown to him.

On February 10, 1955, the following sources were contacted in an effort to secure information relative to EDWARD MAX-PRICE or to ascertain if there was another ALICE SPURLOCK in Monterey County; with negative results:

Pacific Gas & Electirc Company - Pacific Grove, Carmel, and Monterey, California.

Pacific Telephone & Telegraph - Monterey, California.

Peninsula Credit Exchange, Monterey, California.

Pacific Grove Police Department, Monterey Police Department, Monterey County Sheriff's Office, Monterey, California.

On January 28, 1955,

28, 1955, advised that he had no knowledge of

EDWARD MAX PRICE.

Pacific Grove Schools and the Superintendent's

office at Monterey, relative to the existence of FRICE, with negative results.

Mrs. VINETTE COYNE and Lieutenant Commander WILLIAM D. COYNE, 1136 Surf Avenue, Pacific Grove, sister and brother-in-law of subject, were interviewed at their residence, on 2/4/55 which time both denied that they knew an EDWARD HAX-PRICE. They also denied any knowledge of an individual giving ALICE SPURLOCK as a reference both in PRICE's application for rassport and his application for rental of a post office box.

Commander and Mrs. COYNE both stated that they have not heard from the subject, YOCKEY, since the last time they were interviewed by SA KELLEHER in June, 1953. Both advised that they were confident that Mrs. COYNE'S sister, Mrs. ALICE SPURLOCK, did not know of the whereabouts of YOCKEY and they could not recall Mrs. SPURLOCK ever mentioning an individual by the name of EDWARD MAX PRICE. The fact of ALICE SPURLOCK'S name appearing as reference in both instances was called to their attention and Commander COYNE advised that apparently this was pure coincidence. Mrs. COYNE stated that another ALICE SPURLOCK, whose middle name she believed to be CAROLINE, formerly resided in Pacific Grove, that she recalled mail being sent to the COYNE residence in this individual's name which was not intended for her sister ALICE SPURLOCK. She also advised that the reason she recalled the name CAROLINE as being the imiddle name of the other SPURLOCK was due to a telephone call, which she believes came from New York. The caller did not identify himself,

but asked for ALICE CAROLINE SPURLOCK. She also advised that though it was an odd set of circumstances it would be very easy for anyone to pick someone's name out of a telephone book and use that name as a reference. Mrs. COYNE was reminded of the fact that her sister is not listed in the telephone book, but she is listed in the 1953 Pacific Grove City Directory. Both Commander and Mrs. COYNE were asked if they knew of Mrs. SPURLOCK acting as a witness on a passport application at any time during the past year, to which both denied any knowledge.

Mrs. COYNE advised that her sister, Mrs. SPURLOCK was, at the time of this interview, in Los Angeles, where she was staying with friends and was to under go an operation on her knee. She requested that Mrs. SPURLOCK not be interviewed at the friends home in Los Angeles. She advised she would call her and request that she come to Monterey immediately after the operation.

On March 4, 1955, Mrs. COYNE was again contacted relative to the expected return of Mrs. SPURLOCK: She stated that she would call her again in Los Angeles. At this time SA KELLEHER secured from her the address of the friends with whom Mrs. SPURLOCK was staying which is 1094 East Mariposa, Altadeena, California, care of H. R. KELLY. Mrs. COYNE again requested that Mrs. SPURLOCK not be contacted there, that she would make sure that Mrs. SPURLOCK came to Monterey.

On March 10, 1955, Mrs. ALICE SPURLOCK was interviewed at the COYNE residence which changed in the meantime to Stevenson and Herders Roads, Country Club area, Del Monte Forest. Mrs. SPURLOCK at the outset advised that she had no information to offer concerning her brother; that she naturally had certain loyalties to her family. However, she denied that she knew of a MAX PRICE; that she had witnessed a passport application, nor did she have any knowledge relative to a Post Office Box 101, which was rented by PRICE. Mrs. SPURLOCK denied any knowledge of her brother being in Pacific Grove in May, 1954. Further, when shown the photograph of EDWARD MAX PRICE, she stated that she did not recognize it as a photo of subject YOCKEY. She stated she had no knowledge at the present time of the whereabouts of her brother.

Mrs. COYNE was shown the passport photograph of EDWARD MAX PRICE and she also denied recognizing it as that of her brother. Mrs. COYNE had no further information to offer concerning subject or EDWARD MAX PRICE.

on February 4, 1955, and again on March 10, 1955,

during the months of April and May, 1954. Records

name of EDWARD MAX PRICE, but no registration could be located.

It being noted that PRICE on his application for Post Office box
advised that his former residence was the Forest Hills Hotel.

that that subject under his aliases or under the name of EDWARD MAX PRICE.

that the subject under his true name or any of his aliases, nor under the name of EDWARD MAX PRICE.

Both T-2 and T-3 were shown the photographs of the subject and EDWARD MAX PRICE and were unable to identify him as anyone doing business with the bank.

On February 10, 1955 the following individuals were contacted in the neighborhood of 1136 Surf Avenue and photographs of subject and EDWARD MAX PRICE were displayed to them with neagtive results.

SF T-4, of known reliability, on February 15, 1955, advised that he knew of no EDWARD MAX PRICE residing in Carmel Highlands and that mail had never been to his knowledge directed to such a person.

On March 11, 1955, SA KELLEHER checked all negatives of photographs taken by the Fisher Studio, Forest Avenue, Pacific Grove, and located the negative of EDWARD MAX PRICE, taken May 3, 1954.

Mrs. K. This letter of transmittal was dated May 5, 1954. Mrs. TOUSSAINT stated she could recall nothing concerning PRICE nor could she recall PRICE'S witness.

She advised however, that in the case of PRICE, the witness had to appear in person and sign the affidavit under oath in her presence.

It is to be noted that PRICE'S witness on occasion of application for passport, was an ALICE SPURLOCK, 131 Walnut Street, Pacific Grove. There is no 100 block on Walnut Street in Pacific Grove.

On March 25, 1955, Lieutenant Commander WILLIAM COYNE was interviewed at the Sheriff's Office in Monterey. He was again asked if he knew of EDWARD MAX PRICE, and denied knowing anyone by that name. He was asked if he could explain the relationship between EDWARD MAX PRICE and ALICE SPURLOCK, stating he knew of none. He was shown the photograph of EDWARD MAX PRICE and asked if he could

recognize him. He stated he could not. He was asked if it looked like the subject, his brother-in-law. He stated that it could possibly, but he would not state so definitely. He was advised that the photograph was taken in Pacific Grove, California, under the name of EDWARD MAX PRICE and he stated that that might be true, but he did not know him.

It was then pointed out to COYNE that it was a known fact that he purchased a \$500.00 foreign remittance, signed by him, and made payable to EDWARD MAX PRICE in Heidleburg, Germany. then admitted that this was true and under further questioning admitted that he had also purchased one in the amount of \$700.00, made payable to PRICE. He was asked why he did not make this information available on the occasion of SA KELLEHER'S inquiry on February 4, 1955. He stated that it was true that the name EDWARD MAX PRICE "rang a bell", but he did not feel that it was his obligation to advise SA KELLEMER of this. He related that his sister-in-law, ALICL SPURLOCK asked him to forward the money to EDWARD MAX PRICE in Germany. He stated that on one occasion she gave him the cash, and on the other he loaned her the money. could not recall which transaction was the cash one. He was asked further if he made any inquiry of Mrs. SPURLOCK as to why she was sending this money to a man by the name of FRICE and he advised that he did not, but that he "suspected that PRICE might be an intermediary." When asked if he meant an intermediary for his brother-in-law, he replied in the affirmative.

when COYNE was questioned relative to his uncooperative attitude in this matter, he stated that he did not feel he was uncooperative; that he did not feel that it was particularly important that subject be located, and that he felt it was up to ALICE SPURLOCK to furnish information relative to PRICE and not his obligation. It was pointed out to him and admitted by him that he had been contacted on several occasions by the FBI in an effort to locate Subject, which should indicate to him that the Federal Government was most anxious to locate subject YOCKEY.

COYNE was advised that SA KELLEHER had questioned ALICE SPURLOCK on March 10, 1955, relative to PRICE and the subject, and that ALICE SPURLOCK gave him no information whatever regarding either of these individuals. He replied, "I know it, she told me that."

COYNE was completely evasive in his answers with the exception of the admittance that he had purchased the foreign remittance made payable to PRICE. He denied ever having met EDWARD MAX PRICE or of knowing of the whereabouts of the subject, or having had any contact with the subject. He went into great lengths talking about the subject and pointing out that he knows the subject has done nothing wrong, that he is missunderstood because he is so brilliant and most people are jealous of him. When asked if he knew if ALICE SFURLOCK was a witness in PRICE'S application for passport, he stated that he did not think that she was. He advised that it was his opinion that it was some woman other than ALICE SPURLOCK who had appeared on behalf of PRICE. When asked who he might think this woman was, he replied that it was possibly with whom subject was known to have lie was then asked why he was connecting resided. PRICE, when up to this time, he refused to admit that PRICE and subject were one and the same.

On March 21, 1955, Mrs. VINETTE COYNE was contacted relative to the whereabouts of her sister ALICE SPURLOCK. She advised that her sister was back in Los Angeles, however, if SA KELLEHER desired to talk to her again, she would rather she be contacted at the COYNE residence. She stated that SPURLOCK was due to come to Monterey sometime during the week of March 27, and she would advise Agent KELLEHER when she did arrive.

#### AT SAN FRANCISCO, CALIFORNIA

The following investigation was conducted by Special Agent JAMES P. NYE: On February 8, 9, 10, 11, 1955:

Due to the fact that MDMARD MAX PRICE reflected on his application for Post Office Box that he was employed by the Viking Machines, of 3720 Juniper Terrace, San Francisco, the maps of the streets of the city of San Francisco were checked and they failed to reflect the existance of a Juniper Terrace.

The City of San Francisco telephone directories fail to Visit the Viking Machines.

The following listed organizations were contacted in an effort to determine if the Viking Machines was known or subject known to these organizations with negative results:

Efforts to locate YOCKEY over the past two years in the United States and abroad have been unsuccessful. It was reported that one EDWARD MAX PRICE filed an application for pass ort dated Nay 5, 1954. #### April 27, 1955

E. MAX PRICE reportedly made application for the rental of a post office box in the Facific Grove, California post office on May 4, 1954. Mrs. ALICE SPURLOCH, 1136 Surf Street, Pacific Grove, California, was furnished as a reference by PRICE.

Lieutenant Commander WILLAND COYNE, 1136 Surf Street, Pacific Grove, California, was interviewed on February 4, 1955 by an Agent of the Federal Bureau of Investigation and furnished the following information:

COYNE denied knowing an individual by the name of EDWARD MAX PRICE and denied any knowledge of an individual who had given the name ALICE SPURLOCK as a reference for either a passport or for the rental of a post office box. COYNE had not heard from subject YOCKEY since he (COYNE) had been interviewed by an Agent of the Federal Bureau of Investigation in June of 1953. COYNE was confident that his wife's sister, Mrs. ALICE SPURLOCK, did not know the whereabouts of YOCKEY and he could not recall lirs. SPURLOCK ever mentioning an individual by the name of EDWAND HAX FRICE. That ALICE SPURLOCK's name appeared as a reference on a passport and also on the rental of a post office box was pure coincidence, according to COYNE. COYNE had no knowledge regarding Mrs. SPURLOCK acting as a witness on a passport application at eny time during the post year.

On March 25, 1955 Lieutenant Commander COYNE was reinterviewed by an Agent of the Federal Burcau of Investigation in Monterey, Colifornia and furnished the following additional information:

COYME again denied knowing EDWARD EAX TRICE or anyone by that name. GOYHE knew of no relationship between FDMARD MAX FRICE and AMICE SPURICCA. A photograph of EDWARD MAX FRICE was shown to COYNE which he claimed he did not recognize. After questioning, COYNE indicated that this photograph could possibly be a photograph of the subject, but he would not definitely so state. When it was ointed out to COYME that the Federal Bureau of Investigation was aware that he purchased a \$500 loreign remittance signed by him and made payable to EDMARD LAX HRICE in Heidelberg, Germany, COYNE admitted this was true and that he had also purchased a foreign remittance in the amount of 700 which was rayable to COYNE did not make this information available when he was previously contacted on February 4, 1955 although the name EDWARD FAX FRICE "ranga bell" because he did not feel that it was his obligation to advise the Federal Bureau of

Investigation.

According to CCYMF, ALICE SPURLOCK had asked him to forward the money to EDWARD MAX TRICE in Germany. On one occasion SPURLOCK gave COYME the cash and on the other occasion he loaned her the money for the foreign remittance. COYME made no inquiry of Mrs. SPURLOCK as to why she was sending this money to PRICE but he "suspected that PRICE might be an intermediary". COYME indicated he meant an intermediary for his brother-in-law, the subject.

COYNE did not feel that it was perticularly important that the subject be located and he felt that it was up to ALICE SFURLOCK to furnish the information to the FBI relative to PRICE and not his obligation.

It was pointed out to COYNE that he had been previously contacted by the Federal Bureau of Investigation in an effort to locate the subject which should indicate to him that the Federal Government was interested in locating the subject.

COYMI was advised that the Federal Bureau of Investigation had questioned ALICE SPORLOCK on Earch 10, 1955 relative to PRICE and the subject and that she had given no information regarding either of these individuals. COYME replied that he was aware of this feet.

that he admitted purches no the foreign remittances made payable to FFICE. COYNE denied having met LD'AND MAX TRICE or knowing of his whereabouts. COYNE went into great lengths talking about the subject and pointing out that he knows the subject has done nothing wrong, that the subject is misunderstood because he is brilliant, and most people are jealous of him.

FRICE's application for passport but believed that it was some other voman. COMM indicated it was possibly (with whom subject is known to have resided) who may have been the witness for this passport. COMME was asked why he connected with PRICE when up to this time he had refused to admit that PRICE and the subject were one and the same.

COYNE did not furnish any additional information concerning this matter.

In view of Coyne's present military status no investigation of his activities or sympathies will be conducted by this Bureau. However, we have no objection to your proposed interview of Coyne and such an interview will not jeopardize any investigation presently being conducted by this Bureau. In the event you should interview Coyne concerning his association with Yorkey, it will be appreciated if you would furnish us with any pertinent information developed concerning the letter's activities.

Our investigation concerning Yockey is continuing and if any additional information is received regarding Coyne, it will be promptly furnished to you.

NOTE: Yockey, a Nazi sympathizer and pro-Fascist, has been under investigation by FBI since 1951. State Dep't desires to pick up subject's passport; however, his exact whereabouts during past several years has not been known, although he is known to have travelled extensively throughout Europe, Africa, and U.S. During December, 1954, subject was identified in Germany posing as one Edward Max Price and using a passport issued in Price's name. Investigation disclosed that subject, as Price, received a transfer of funds in the amount of \$499 at Stuttgart, Germany. The sender was shown as W.D.Coyne who made the transfer from the Bank of America, San Francisco, California. Coyne was subsequently identified as Lt. Commander William D. Coyne, suxbject's brother-in-law. Upon interview, Coyne denied knowing anyone named Edward Max Price and said he had no information concerning the subject's recent activities or whereabouts. - During a second interview, Coyne was confronted with the fact that he had sent the above-described funds to Price in Control Germany and he threeupon admitted this fact, claiming that he did so at the request of his sister. Throughout both interviews with Coyne he appeared extremely evasive and uncooperative and seemed to be in sympathy with Yockey, whom he described as a brilliant individual who was misunderstood.

Supervisor Tom McAndrews called from New York on the morning of September 6, 1955. He referred to publicity which has occurred recently regarding Hopkins who has been released by the Russians and who claims to be an American citizen. McAndrews stated that the Agent in the New York Office hardling the Yockey case is of the opinion that the photograph of Hopkins resembles that of Yockey and suggested that they may be identical.

We are reviewing the file on Tockey. I have asked the Identification Division to send Yockey's identification jacket for review. He has FBI No. 4,499,405. I have called Washington Field Office and have asked that they review their file and submit to the Bureau any available photographs, since McAndrews indicated that Washington Field had furnished photographs.

Efforts to locate additional handwriting specimens of Mrs. SPURLOCK in the Pacific Grove area have been negative.

It is believed that Mrs. SPURLOCK is presently residing in Los Angeles, California, where she is a laboratory technician. In March, 1955, Mrs. COYNE advised an agent of this office that her sister, Mrs. SPURLOCK, was residing at 1094 East Mariposa Street, Altadena, California, care of H. R. KELLY.

For the information of the Los Angeles office, the subject of this case is the brother of Mrs. ALICE SPURLOCK and VINETTE COYNE. In May, 1954, subject, as EDWARD MAX PRICE made an application for a passport and his identifying witness signed as ALICE SPURLOCK. Mrs. SPURLOCK denied that her brother was in Monterey County during that period of time and she also denied that she signed an application for passport for an EDWARD MAX PRICE.

Efforts are presently being made through handwriting comparison to determine whether Mrs. SPURLOCK can be identified as the individual who signed as a witness for subject's application for passport. In view of the fact that investigation in Monterey County has failed to produce these known signatures, the Los Angeles office is being requested to attempt to locate such signatures, either through bank records, hospital records or any other sources that might be available in Los Angeles. It is not known whether Mrs. SPURLOCK is working at this time for a doctor or for a hospital, but it is rather certain that she is presently employed and her employment may suggest possible sources for handwriting specimens.

Mrs. SPURLOCK has been uncooperative in instant investigation to the degree that she will not advise the Bureau of the present whereabouts of her brother.

It would probably be helpful to the laboratory if signatures of Mrs. SPURLOCK could be obtained that were written sometime around May, 1954. It is believed that she spent considerable time in Los Angeles around that period of time.

FRANCIS PARKER YOCKEY, was. 105. 5209 REGISTRATION ACT; INTERNAL SECURITY ACT OF 1950; PASSPORT AND VISA MATTERS.

In a memorandum from Mr. Branigan to you dated September 6, 1955, it was pointed out that the then current press stories reflected that two U.S. soldiers as well as the mystery man listed as Frederick C. Hopkins, a civilian from New York City, all for nerly prisoners in the USSR, were released by the Russians on September 6, 1955. Referenced memorandum further pointed out that Hopkins might possibly be identical with captioned individual. It was recommended that Liaison contact the State Department and G-2, Department of the Army, for the purpose of obtaining the fingerprint classification of Frederick C. Hopkins.

On September 7, 1955, John Becht of the State Department, and Lieutenant Colonel Joseph Felter, G-2, were requested to attempt to ascertain the fingerprint classification of Hopkins by Bureau Liaison. State and G-2 were also requested to furnish the fingerprint card on Hopkins as soon as possible. I take Apl info undereifed per State let 5-27-80 /

Subsequently, both the State Department and G-2 advised Bureau Liaison that interrogation of Hopkins by the Counter Intelligence Corps, Department of the Army, was not the U.S. national, but Klaus Frederic Glaubitz reportedly born December 31, 1927, in Koenigsberg, East Prussia. On September 9, 1955, Colonel Felter advised that further questioning of Glaubitz indicated that after World War II he had obtained employment with the British forces as a Polish, English, and German interpretor. Glaubitz told CIC that on July 13, 1947, he was in Luebech on official business for the British, at that time accepted a drink from a French Army officer and then claimed that he had awakened in a jail in the custody of the Soviets. During this incarceration, according to Glaubitz's story, - the Russians accused him of being Hopkins and as a result of this interrogation he took the identity and name of Hopkins and then claimed he was a U.S. citizen.

Along informational producing it 4-9-8. CIC obtained some information concerning Glaubitz from the British which indicated that he had previously been employed by the British Military Government in August, 1945, as an interpretor. He was reportedly discharged

In September, 1945, Glaubitz reportedly went to the Soviet Zone of Germany and in March, 1946, returned to his parents' home. Later he at empted to join the French Foreign Legion but was refused. In August, 1946, Glaubitz went to East Germany and returned to Vest Germany in September, 1946. It is further reported that about that time he went to the French Zone of Germany and attempted to obtain employment with the French Surete. Glaubitz claimed to CIC that he was employed by the French to go on a mission to East Germany, received compensation to go on the mission, but never actually went as he had agreed to do. He then went to the British with "two other intelligence swindlers" and attempted to sell false information to the British.

Colonel Felter stated that G-2 Headquarters had no further information at that time but would keep the Bureau advised and would also advise Liaison upon the receipt of the fingerprint classification and the fingerprint impressions themselves.

A United Press release bearing dateline Berlin 9-5-55 in "The Washington Post and Times Herald" newspaper 9-6-55 reflects two U.S. soldiers as well as a mystery man listed as Frederick C. Hopkins, a civilian from New York City, all former prisoners in the USSR, were released by the Russians 9-5-55 to U. S. interrogators of Berlin, Germany. After brief interrogation the two soldiers, Murray Fields and Wilfred Cumish, as well as Hopkins, were taken to the American Hospital for physical checkup. The interrogators determined Hopkins is not an American but may be a German. A UP story bearing the dateline Berlin 9-6-55 in "The Washington Daily News" 9-6-55 reflects Hopkins stated his real name is Klobitz and that he only posed as an American because the Reds insisted he was an American. Bufiles reflect no additional identifiable data concerning Klobitz.and Frederick C. Hopkins.

New York office advised on 9-6-55 the agent handling the Yockey case feels the photograph of Hopkins resembles Yockey and suggested they may be identical. On the basis of the newspaper photograph of Hopkins and photographs of Yockey appearing in Bufiles, it is not possible to determine if the identical.

Yockey is an American, born 9-18-17 at Chicago, Illinois, FBI number 4499405, fingerprint classification:

$$15 - \frac{0}{L} - \frac{9}{17} - \frac{R}{U} - \frac{000}{000} - \frac{13}{13}$$

Yockey is alleged to have been engaged in recent years in Fascist activities on an international scale and has declared that his main goal is to unite all Fascists in the world.

SUBJECT: REGISTRATION ACT FIRM H INTERNAL SECURITY ACT OF 1950 PASSPORT AND VISA WATTERS In a memorandum from Mr. Branigan to you dated September 6, 1955, it was pointed out that the then current press stories reflected that two United States soldiers as well as a mystery man listed as Fredrick. C. Hopkins, a civilian, all formerly prisoners in the U.S.S.R., were released by the Russians on September 6, 1955. It was recommended that Liaison contact State Department and G-2, Department of the Army, for the purpose of obtaining the fingerprint classification and a fingerprint card of a Fredrich C. Hopkins. Attached hereto are two copies of the fingerprint card of Klaus Fredrich Claubitz, alias Fredrick C. Hopkins. U.S. These prints were obtained from G-2, Department of the Army, on September 27, 1955, by Bureau liaison. While it has been more or less established by G-2 and the State Department that Glaubitz is actually a German national, the September 6 memorandum raised the possibility that Glaubitz might be identical with Francis Parker Yockey. #### Results of examination:

Due partially to the limited nature of the questioned signature and partially due to the presence of certain handwriting variations which cannot be accounted for, a definite conclusion could not be reached whether the "Alice Spurlock" signature on Qch, previously submitted, was or was not written by ALYCE LOUISE SPURLOCK, K4. It is doubtful that any additional known signatures of ALYCE LOUISE SPURLOCK would be of value in resolving the question of

#### DETAILS:

It was previously reported that one EDWARD MAX PRICE filed an application for passport dated May 5, 1954, and one ALICE SPURLOCK, 121 Walnut Street, Pacific Grove, California, was listed as a witness on this passport. On May 19, 1954, U.S. Passport Number 378334 was issued to EDWARD MAX PRICE at Washington, D.C. EDWARD MAX PRICE was identified early in December, 1954, as FRANCIS PARKER YOCKEY.

On February 4, 1955, Lt. Commander WILLIAM D. COYNE, advised SA JOHN A. KELLEHER that he did not know an individual by the name of EDWARD MAX PRICE and denied any knowledge of an individual who had given the name ALICE SPURLOCK as a reference for a passport. COYNE had not heard from the subject, YOCKEY, since he (COYNE) had been interviewed by SA KELLEHER in June, 1953. COYNE was confident that his wife's sister, Mrs. ALICE SPURLOCK, would not know the whereabouts of YOCKEY.

On March 25, 1955, Lt. Commander COYNE was reinterviewed by SA KELLEHER and COYNE again denied knowing EDWARD MAX PRICE or anyone by that name. COYNE knew of no relationship between EDWARD MAX PRICE and ALICE SPURLOCK.

A photograph of EDWARD MAX PRICE was shown to COYNE and after questioning COYNE indicated that this photograph could possibly be a photograph of the subject but he would not definitely so state.

coyne admitted purchasing a \$500 foreign remittance signed by him and made payable to EDWARD MAX PRICE in Heidelberg, Germany. Coyne admitted that he also purchased a foreign remittance in the amount of \$700 which was also sent to PRICE in Germany. Coyne did not make this information available when he was previously contacted

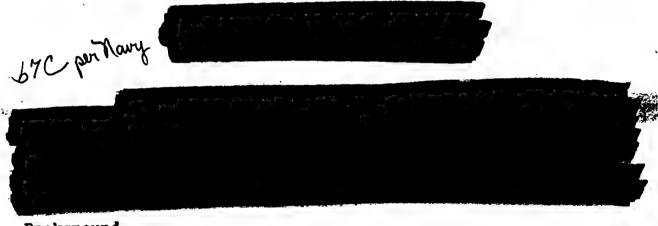

ca 100-25647

on February 4, 1955, although the name EDWARD MAX PRICE "rang a bell" because he did not feel that it was his obligation to advise the FBI.

According to COYNE, ALICE SPURLOCK had asked him to forward the money to EDWARD MAX PRICE in Germany. On one occasion, SPURLOCK gave COYNE the cash and on the other occasion, he loaned her the money for these foreign remittances.

On March 10, 1955, and March 30, 1955, Mrs. ALICE, SPURLOCK, subject's sister, was interviewed at Lt. Commander COYNE's residence by SA KELLEHER and on both occasions, she denied any knowledge of EDWARD MAX PRICE. She denied any knowledge of the subject having been in Pacific Grove in 1954 and denied that she was a witness on an application for passport.

the Notre Dame Law School and was a member of the Bar Association in Illinois, Indiana and Michigan. Prior to entering the U.S. Army, YOCKEY was employed by a casualty company in Chicago and was an attorney in Mount Vernon, Illinois. YOCKEY was drafted into the Army in 1941 or 1942 and received a medical discharge as he was psychologically unsuited for Army life. While in the Army, YOCKEY had been confined to a psychiatric ward at Camp Gordon, Georgia, for six to eight weeks.

After YOCKEY's discharge from the U.S. Army, he married and settled in Detroit, Michigan, where he was employed as an Assistant Prosecuting Attorney. After World War II, he went to Europe as a member of the War Crimes Trials. YOCKEY resigned or was fired from this position which resulted in the breakup of his home. YOCKEY had two children when his wife divorced him.

YOCKEY has resided off and on from 1940 to 1950 with Lt. Commander COYNE in the United States. YOCKEY has lived in England, Ireland and Germany; however, he prefers to live in Germany. In late 1954, subject was in Heidelberg, Germany and in early 1955, he was in Munich, Germany.

#### Subject's Personality

FRANCIS PARKER YOCKEY has a brilliant mind and an IQ of around 170. By temperment, YOCKEY is nervous, high-strung, erratic, unpredictable and dictatorial. He has an air of superiority and is quite irritating. His judgment is more often bad than good. YOCKEY is extremely outspoken and is very well read. His mind is a veritable storehouse of information, and he retains most of what he reads.

CG 100-25647

Subject has an amazing "capacity" for alienating people, particularly men, while women seem to like him; however, YOCKEY definitely did not get along with his own mother. YOCKEY's sister, ALICE SPURLOCK, seems to be able to handle the subject fairly well and is probably the only one who can.

After World War II, YOCKEY went to Germany as a member of the War Crimes Commission. While there, YOCKEY made many enemies and was outspoken in his denunciation of the War Crimes Trials and expressed his sympathy for the defendants.

#### Present Whereabouts Unknown

Lt. Commander COYNE last saw YOCKEY in 1951. According to COYNE, after his third FBI interview, his sister-in-law, ALICE SPURLOCK admitted to him that she had met FRANCIS YOCKEY on the Monterey Peninsula in 1954 on several occasions.

On September 28, 1955,

On April 14, 1955, and September 8, 1955, furnished the following information concerning the Nationalist Conservative Party:

CG 100-25647

The Nationalist Conservative Party was first started in late 1954 or early 1955, by WILLIAM B. WERNECKE, 6250 North Wayne Avenue, Chicago, Illinois. Early in 1955 want ads appeared in the personal column in a number of metropolitan, neighborhood and foreign newspapers, advocating support for the Nationalist Conservative Party. These ads solicited "Taft Republicans and McCarthy Republicans" to come and join the Nationalist Conservative Party.

This organization purports to be a new extreme "right wing" political party. The few pieces of literature which WERNECKE has circulated promote an extremely reactionary point of view and state that neither the Republican nor the Democratic Parties merit the support of "real Americans".

On November 10, 1955, and advised that WERNECKE continues to send out literature to different parts of the country hoping tobuild up a mass following for his newly formed group. Thus far, WERNECKE has held no public meetings and has concentrated his energies in establishing liaison with similar-minded individuals and groups in this country. Inasmuch as WERNECKE is financially independent, he has not found it necessary to ask for financial support from prospective members.

On September 29, 1955, Mr. FRED YOCKEY, 722
Junior Terrace, Chicago, Illinois, advised SAs PAUL M.
GRIBER and LLOYD O. BOGSTAD that he is subject's only
uncle in the Chicago area and had no idea as to the
present whereabouts of the subject. FRED YOCKEY had not
seen the subject for the past two or three years and had
not heard from him since about la years ago upon the death
of a relative in the YOCKEY family. FRED YOCKEY advised
that he would contact the Chicago Office of the FBI if he
received any information as to the present whereabouts of
the subject.

#### Activities

According to COYNE, YOCKEY has not made any statements that could be construed as being disloyal to the United States; nor has subject engaged in any activities that would be considered inimical to the best interests of the United States and was only interested in Europe as he regarded that continent as the seat of Western culture. YOCKEY is interested in the future of Europe. Subject believes in an authoritarian form of government for a united Europe. YOCKEY did not favor the Soviet Russian or the Communist type of government in Europe.

YOCKEY was associated with the America First Organization which according to COYNE was a nation-wide organization in 1941, whose announced objective was to prevent the entrance of the United States into World War II.

SMITH has favored the petitioning of Congress for benefits for discharged servicemen calling for Congress to appropriate \$1,000 for each veteran who has served more than one year in the Armed Forces. SMITH's monthly newsletters have expressed his intention of sending 100,000 petitions to every state in the Union, thus demonstrating that "America"

According to COYNE, YOCKEY was also associated with the Christian Democrats for a period of about a month or two (year not indicated). . COYNE was not sure of the last name of the organization but believed it was headed by a person named SMITH.

YOCKEY was believed to have written articles for the Christian Democrats. Subject's objective in contacting the Christian Democrats was to market his book (name not indicated) in the United States.

The files of the Chicago Office disclosed no identifiable information concerning the Christian Democrats.

Subject in applying for a passport must have had knowledge of someone by the name of EDWARD MAX PRICE in order to use this name in applying for a passport.

According to COYNE, ALICE SFURLOCK did not sign any passport application and had no knowledge of subject's passport. ALICE SPURLOCK previously furnished a sample of her handwriting to SA KELLEHER.

Examination by FBI Laboratory

It is to be noted that the signature of one Mrs. ALICE SPURLOCK appeared as a witness to EDWARD MAX PRICE's passport application. In October, 1955, a handwriting examination comparing this signature with the known undictated signature of ALICE SPURLOCK, subject's sister, was conducted by the FBI Laboratory. As a result of this examination, no definite conclusion was reached by the Laboratory.

#### Receipt of Remittances

In October or November, 1954, ALICE SPURLOCK asked COYNE to cable \$500 to PRICE, American Express Company, Heidelberg, Germany, which COYNE did. In January, 1955, COYNE cabled \$700 to PRICE in Germany.

#### Writings

In 1948, YOCKEY wrote a book entitled, "Imperium", which outlines his political philosophy. This book which was

highly critical, dealt with YOCKEY's interpretation of history; what has happened in the past; and what he thought was going to happen in the future. This book was published in London, England, and sold between 1,000 and 1,500 copies primarily in England.

YOCKEY has written two page essays on love, marriage, art, music, literature, history, etc.

Also on March 18, 1955, the Department of State specifically instructed the American Consulate General at Stuttgart, Germany, to endeavor to ascertain whether PRICE was then in Stuttgart, and, if so, the passport should be taken up together with any other passports which might be in PRICE possession, and any appropriate steps possible should be taken to effect his return to the United States. Y

By despatch 186 dated March 30, 1955 the American Consulate General at Stuttgart informed the Department of State that it had learned confidentially that PRICE was not believed to be in Stuttgart at that time since he was reported to have purchased a train ticket and left Stuttgart. The Consulate stated that it was endeavoring to have this point verified. The Consulate pointed out that, since PRICE was last seen in Stuttgart on December 3, 1954, it might take some time to locate him.

By despatch March 30, 1955, in the passport file of FRANCIS PARKER YOCKEY, the American Consulate General at Naples, Italy, informed the Department that it had issued a passport to this individual on October 17, 1951, at which time he had stated his intention to return to the United States within one year. The Consulate added that he had not applied at that Consulate for renewal of that passport and hence it believed that YOCKEY may have returned to the United States as planned.

On April 25, 1955, the American Consulate at Basel, Switzerland, informed the Department ahat it possessed no previous record of PRICE or YOCKEY, and an informal inquiry made of the local police likewise failed to reveal any record of him. By despatch 2390 dated May 6, 1955, the American Embassy at Paris, France, advised the Department that, according to a report from the Investigation Section of the Embassy dated April 25, 1955, EDWARD MAX PRICE, bearer of passport 307384 or 378334 issued on May 19, 1954, came to Paris from London and stayed at 108 rue de Budapest from December 9-10, 1954, and at 3 rue de Budapest from December 10-11, 1954, but no further information as to his whereabouts was available.

By despatch 3 dated July 12, 1555, the Consulate General at Stuttgart informed the Department that it had been told by appropriate authorities on April 28, 1955, that EDWARD MAX PRICE could not be located and that he had been traced to the area between Mannheim and Frankfurt where it was expected that he would be found but he had disappeared, and these authorities felt that he must have been alerted. +
